The Stewards

- Having been informed that the crew of car No. 77, driver FABRIZIO GINI, co-driver GABRIELE LUNARDI, shown on the entry list as a Competitor/Driver registered in the 2014 FIA WRC 2 Championship, was unable to participate in RALLY ITALIA SARDEGNA 2014, which they have entered, because of sponsorship problems
- Having investigated the FIA WRC2 Championship registration procedure with the FIA Rally Sporting Department and the Rally entry procedure with the organiser
- After due deliberation

#### DECIDE

- Not to consider the Driver FABRIZIO GINI as a correctly registered FIA WRC2 Championship driver for this event as he did not comply with the full registration requirements in terms of the payment of the registration fee, as he had previously advised and promised.
- Not to consider the withdrawal of the Competitor from the rally as a case of *force majeure* and leave it with the organiser to find an arrangement with the Competitor regarding the payment/ refund of the due entry fee.
