Subject : DECISION NO : 9

Document No: 2.10

From: The Stewards

To : The Competitor of car No. 37 F.W.R.T. SRL
Crew LORENZO BERTELLI / MITIA DOTTA

The Clerk of the Course received a request from the Competitor F.W.R.T. SRL of car number 37 which he referred to the Stewards for their consideration.

The Competitor no 37 requested to be allocated a new time for special stage 5 as he was held up and stopped by a marshal in front of the place where car number 7 had stopped with technical failure. This in order to let car number 7, after repair, rejoin and continue the stage. Car number 37 was then indicated by the marshal to continue behind car number 7.

The above statement was supported by some statistic data and split times provided by the Competitor and by photo evidence taken from the onboard camera in car 37.

Having studied the photo evidence attached to the request and having considered the circumstances in this particular case, after due deliberation the Stewards

DECIDE

To allocate the time of **19:29,7** minutes to car number 37 for special stage 5.
